INJURY TO WORKERS

The following exclusion is added to the Broadform liability section '3. Exclusions of this Policy':

Injury to Workers

This policy section does not cover liability in respect of:

Personal injury to Workers whilst such Workers are acting in such capacity.

Provided that the named insured has declared to Us and We have duly noted an amount representing estimated annual payments for the procurement of services of Workers, then this exclusion will not apply. If the named insured has made such a declaration, We have duly noted it, and this exclusion does not apply then You will bear the first \$10,000 for any one Occurrence (inclusive of defence costs and other costs and expenses) in respect of liability arising out of Personal injury to Workers whilst such Workers are acting in such capacity.

For the purpose of this exclusion, the term 'Workers' means:

- (a) any person provided to You on a temporary or permanent basis under a contract with a Labour Hire Provider and such person remains an employee of that provider;
- (b) any person (including a person who may be an employee of a contractor), contracted to perform work for You under Your direct supervision or control in the performance of such work, but does not include any person where the nature of the contracted work is the trade or service of such contractor and not that of your business;
- (c) any person (including a person who may be an employee of a subcontractor), subcontracted to perform work on Your behalf and is under Your direct supervision or control in the performance of such work.

For the purpose of this exclusion, the term 'Labour Hire Provider' means a person or organisation that contracts out the services of their employees and/or apprentices to You.
